

Good afternoon Mr. Chairman; the Alkalo; imam and council of elders; parents, the cluster monitor; Councilor Sanyang Ward; Omar Saidy and Sponsors from Belgium my brilliant Teachers, Parents distinguish, my fellow students distinguish ladies and gentlemen, all protocol duly observes.

Mr. chairman; today marks an important event in the history of Faala and the School as Gammol NGO handing over fully furnish four classrooms, office and a Kitchen to the community after investing millions of Dalasis.

Mr Chairman the beautiful colored dressed pupils sitting before you today are very happy since the completion of the classrooms as GamMol has created an enabling environment for teaching and learning to take place in this school. We really appreciate the effort of Gammol in travelling thousands miles from Belgium to Africa to help the people experiencing deprivation, exclusion and vulnerability to realized their potentials to fully prepared to pursued us attained better career and become productive citizens.

Mr. Chairman Life is a ladder that once climbs from a stage to another; the current condition of the school will helps teachers nurtured pupils well during their period in the School as we undergone different approached towards improving our lives and livelihood skills so as to become efficient and effective future leaders.

My fellow students, completing building the School is the beginning of another stage of development, GamMol did their part, it's our time to focus on our books as we were expose to the basic concepts of all the subject areas ahead of are challenges to many and too high. Our discipline; courage; determination and hard work must be demonstrated at all times.

Mr. chairman; distinguish guest ladies and gentlemen; I would like to share words of advice and wisdom with our parents to bear in mind that we are expected to be the future leaders and so it's now that all efforts be harness; aimed at Empowering and supporting us with basic knowledge and skills to realize our potentials in life, thus contribute immensely to the national development.

Mr. chairman; distinguish guest ladies and gentlemen; Education is the key to success, no society can developed when population are without requisite knowledge; without support to achieve the goals of the school will be a challenge; Mr. chairman; distinguish guest ladies and gentlemen; ~~it could be recalled that a~~ Omar Saidy visited the School one afternoon last year with two gentlemen from Belgium came across the major obstacles of the school the situation of the school at that time was alarming. GamMol team struggled so hard in different avenues in search of funds purposely meant to support the children^{of} the Gambia to acquire knowledge; their aspiration; commitment and determination towards the improvement of the school no more a dream but a reality with the provision of a modern classrooms, office and a Kitchen in the school; as PTA provides us with meals every day,

On behalf of my colleagues; parents, teachers and on my own behalf to sincerely extend our gratitude and appreciation to our Brother Omar Saidy and GamMol Board present here and abroad for their immense contribution to progress of the school and the community of Faala and Sanyang at large.

Mr. chairman; distinguish guest ladies and gentlemen; the policy with the introductions of school management committee is a step in the right direction; the system really defined the three corner stone a learning centre and parties that made up of an effective school are THE CHILDREN.; THE PARENTS; THE TEACHERS. The Chairman and the Executive members of the Parents Teachers Association (SMC) of the above named school as part of their responsibilities engaged the youths of Faala to joined the management towards the realization of the projects mentioned despite their busy shedulled; the blocks for construction ~~of the construction~~ of this building was molded by the Youths and Parents through the PTA and the SMC at no cost with the common spirit of community development initiatives; without their intervention it would have been a failed story report.

Mr. chairman; distinguish guest ladies and gentlemen; I will do no justice if I fail to register our sincere gratitude and appreciation to the following for contributing towards the development of the school:

- Mr. Omar Saidy of GamMol
- Oustass Muhammed Faye
- Mr Bakary Fatajoh of Faala
- Mr Yusupha Jassej a native of Sanyang
- Madam Sainabou Sillah Jawla of Faala
- The council of elders of Koring Kanda
- The Village Development Committee
- The cooks
- The entire parents body and school management committee

I Thank you for your kind attention
